## The Employee Philanthropy Program and The Biggest Winner Competition

Supporting Long Beach Memorial Medical Center  
and Miller Children's Hospital

# The Biggest Winner — Participate, Pledge, Philanthropy

**Long Beach Memorial Medical Center and Miller Children’s Hospital** needs your help to become the Biggest Winner! This year we are challenging all of our employees to participate in the Employee Giving Campaign, have a little fun and create some competition while raising money for our not-for-profit hospitals. The hospital, by department, has been divided up into five colored teams — and we’re competing to see which team can raise the most money. On the back of this brochure is a list of all the teams so you can discover the team you are participating with. Like the popular television show it’s based on percentages and the team that raises the highest percentage will be crowned the Biggest Winner. May the best team win!

As an employee at Long Beach Memorial Medical Center or Miller Children’s Hospital, your primary role is to fulfill your job duties to the best of your ability. Another way you can help growth and strengthen our workplace is through the Biggest Winner Employee Philanthropy Program. Remember your gift provides four benefits:

- 1 A tax-deduction for you
- 2 Recognition in the Mercury Honor Roll
- 3 Help to provide “that Extra Measure of Care” for the patients we serve
- 4 A chance to be crowned the Biggest Winner Team

## Your payroll deduction adds up to a large gift and tax-deduction:

Example:

Amount per pay period	Gift per year
\$38.46	\$1,000 (minimum level for Associate Membership)
\$28.85	\$750
\$19.23	\$500
\$9.61	\$250
\$5.76	\$150
\$3.84	\$100

By completing the attached pledge card, the payroll deduction amount you select will be deducted automatically and noted on your paycheck stub. For more information about the Employee Philanthropy Program and the Biggest Winner competition please contact Brett Beck at 562.933.1676 or [bbeck@memorialcare.org](mailto:bbeck@memorialcare.org)
